

# The Eastern Rensselaer County Solid Waste Management Authority 2012 Member Calendar – Village of Castleton

Dear Castleton Residents,

The Eastern Rensselaer County Solid Waste Management Authority is pleased to bring you our 11th Annual Calendar. The goal of this publication, funded in part by the NYS Department of Environmental Conservation, is to provide citizens from all ERCSWMA-member communities with information - and motivation - they need to fully participate in their municipal recycling programs.

Castleton continues to try to improve its recycling rates. They have made changes with the recycling program as a new vendor is involved with picking up the recycling. We urge you to continue to work on improving our recycling rates.

This saves not only our environment but saves our Village real dollars.

Castleton will continue to have cleanup days for the residents throughout the year. This year the good news is that there will no longer be a charge for monitors and televisions. We have seen a real increase in electronic recycling of over the last year and for that we thank you. Being able to provide this service to residents at no charge is very rewarding to us.

We will continue to offer two Household Hazardous waste collection days. One will be in the spring and one in the fall. You must register for these events, but as always there is no charge for residents to dispose of old chemicals, paints or oils sitting in your basement or garage.

Please take advantage of the opportunities available to REDUCE the amount of solid waste your household generates, to REUSE items whenever possible, RECYCLE paper, cardboard, bottles and cans.

Let's improve our recycling rates for 2012!
