

The Eastern Rensselaer County Solid Waste Management Authority

2012 Member Calendar – Village of Hoosick Falls

Dear Village Of Hoosick Falls Residents,

The Eastern Rensselaer County Solid Waste Management Authority is pleased to bring you our 11th Annual Calendar. The goal of this publication, funded in part by the NYS Department of Environmental Conservation, is to provide citizens from all ERCSWMA-member communities with information - and motivation - they need to fully participate in their municipal recycling programs.

Hoosick Falls continues to improve its recycling rates as the single stream recycling program is becoming more familiar with everyone. We urge you to continue to work on improving our recycling rates. This saves not only our environment but saves our Village real dollars.

Hoosick Falls will continue to have the transfer station opened up to residents throughout the year. The ERC Community Warehouse will continue to accept electronics for recycling. This year the goods news is that there will no longer be a charge for monitors and televisions. We have seen a real increase in electronic recycling of over the last year and for that we thank you. Being able to provide this service to residents at no charge is very rewarding to us.

We will continue to offer two Household Hazardous waste collection days. One will be in the spring and one in the fall. You must register for these events, but as always there is no charge for residents to dispose of old chemicals, paints or oils sitting in your basement or garage.

Please take advantage of the opportunities available to REDUCE the amount of solid waste your household generates, to REUSE items whenever possible, RECYCLE paper, cardboard, bottles and cans.

Let's improve our recycling rates for 2012!
