

# The Eastern Rensselaer County Solid Waste Management Authority 2012 Member Calendar – Village of Nassau

Dear Village of Nassau Residents,

The Eastern Rensselaer County Solid Waste Management Authority is pleased to bring you our 11th Annual Calendar. The goal of this publication, funded in part by the NYS Department of Environmental Conservation, is to provide citizens from all ERCSWMA-member communities with the information - and motivation - they need to fully participate in their municipal recycling programs.

The Village of Nassau has taken a big step in an effort to improve its recycling rates as they have implemented a single stream recycling program. This simply means that you will receive a new tote designed for recyclables. On the same day you put out your regular trash you also put out this can with recyclables in it. There is no separating or remembering what day to put it out. The full lists of what can and cannot be put in this tote are listed on the next page. This process has improved our recycling rates greatly in some of our other member communities. We urge you to continue to work on improving our recycling rates. This saves not only our environment but saves our Village real dollars.

We will continue to offer two Household Hazardous waste collection days. One will be in the spring and one in the fall. You must register for these events, but as always there is no charge for residents to dispose of old chemicals, paints or oils sitting in your basement or garage.

Please take advantage of the opportunities available to REDUCE the amount of solid waste your household generates, to REUSE items whenever possible, RECYCLE paper, cardboard, bottles and cans.

Let's improve our recycling rates for 2012!
