

# The Eastern Rensselaer County Solid Waste Management Authority 2011 Member Calendar – Village of Nassau

Happy New Year!

The Eastern Rensselaer County Solid Waste Management Authority is pleased to bring you our tenth Annual Calendar. The goal of this publication, funded in part by the NYS Department of Environmental Conservation, is to provide citizens from all ERCSWMA-member communities with information - and motivation - they need to fully participate in their municipal recycling programs. At the same time, the calendar offers ideas residents can implement to reduce reuse and recycle at home, at school or in the office.

To maintain its “user friendly” reputation, the calendar includes not only dates for garbage, recyclables and special collections, but also Town/Village Board and other local government meetings, plus a variety of special events.

After ten years of publishing this calendar we are looking for your help. Some of our communities have went to single stream recycling which has made the recycling process much easier not to mention the calendar less busy. Should we change the look of the calendar? Should it be smaller and take up less space? Maybe a date that is important to your community is missing? Perhaps you like the calendar just as it is? If you have input on the calendar please email us at [Director@ercswma.org](mailto:Director@ercswma.org) or call 686-7540 and give us your feedback, we welcome it!

Please take advantage of the opportunities available to **REDUCE** the amount of solid waste your household generates, to **REUSE** items whenever possible, **RECYCLE** paper, cardboard, bottles and cans.

Let’s improve our recycling rates for 2011 !
