

The Eastern Rensselaer County Solid Waste Management Authority 2012 Member Calendar – Town of Pittstown

Dear Pittstown Residents,

The Eastern Rensselaer County Solid Waste Management Authority is pleased to bring you our 11th Annual Calendar. The goal of this publication, funded in part by the NYS Department of Environmental Conservation, is to provide citizens from all ERCSWMA-member communities with information - and motivation - they need to fully participate in their municipal recycling programs.

Pittstown continues to improve its recycling rates as the single stream recycling program is becoming more familiar with everyone. We urge you to continue to work on improving our recycling rates. This saves not only our environment but saves our town real dollars.

Pittstown has implemented a change this year in its clean up days. These days were previously help on the second Saturday of designated months. This year the clean up days have been moved to the third Saturday of designated months. This was done to provide a better price and handle the increased electronics recycling volume. The goods news being there will no longer be a charge for monitors and televisions. The dates are posted within this calendar.

We will continue to offer two Household Hazardous waste collection days. One will be in the spring and one in the fall. You must register for these events, but as always there is no charge for residents to dispose of old chemicals, paints or oils sitting in your basement or garage.

Please take advantage of the opportunities available to REDUCE the amount of solid waste your household generates, to REUSE items whenever possible, RECYCLE paper, cardboard, bottles and cans.

Let's improve our recycling rates for 2012!
