

The Eastern Rensselaer County Solid Waste Management Authority

2012 Member Calendar – Town of Stephentown

Dear Stephentown Residents,

The Eastern Rensselaer County Solid Waste Management Authority is pleased to bring you our 11th Annual Calendar. The goal of this publication, funded in part by the NYS Department of Environmental Conservation, is to provide citizens from all ERCSWMA-member communities with information - and motivation - they need to fully participate in their municipal recycling programs.

Stephentown continues to focus on improving its recycling rates. The Stephentown Transfer station accepts all recyclables and is a great way to increase our rates. We urge you to continue to work on improving our recycling rates. This saves not only our environment but saves our Town real dollars.

Stephentown will have the transfer station opened up to residents throughout the year. They will also continue to accept electronics for recycling. We have seen a real increase in electronic recycling of over the last year and for that we thank you.

We will continue to offer two Household Hazardous waste collection days. One will be in the spring and one in the fall. You must register for these events, but as always there is no charge for residents to dispose of old chemicals, paints or oils sitting in your basement or garage.

Please take advantage of the opportunities available to REDUCE the amount of solid waste your household generates, to REUSE items whenever possible, RECYCLE paper, cardboard, bottles and cans.

Let's improve our recycling rates for 2012!
